

Utility Locator Certification Summer/Fall 2011 Course Schedule

The utility locator certification course was developed with funding and at the request of One-Call of Wyoming to train and certify utility locators in Wyoming.

The utility locator certification course is designed to train and certify utility locators on the basic methods for locating and verifying underground utility lines.

Tuition Cost

	ELTR 1545/1545 Hybrid	ELTR 1645	ELTR 1745
Wyoming (In-state)	\$178*	\$133.50	\$44.50
WUE (see list below**)	\$250	\$187.50	\$62.50
Out-of-state residents	\$462	\$346.50	\$115.50

There are now three classes that you can take to earn your certification

All classes are limited to 10 students to insure quality instructor/student interaction.

Students who successfully complete any of these courses will receive a certificate of locating competency from our program partner Staking University, a nationally recognized underground utility locator certification training center.

	Class Descriptions	Dates Offered
ELTR 1545 Cost: \$178*	Utility Locator Certification: Five-day Classroom and Lab Fundamentals of underground utility location will be covered in this class including methods used to change the transmitter current levels and shape of the magnetic field, how to measure the magnetic field with the receiver, and how to produce a round magnetic field and verify depth. Students registering for ELTR 1545 are automatically enrolled in the corresponding lab. 2 credits.	June 20-24, 2011 – Location: EI 107 Registration deadline: June 15 September 26-30, 2011 – Location: EI 107 Registration deadline: September 21
ELTR 1545 Hybrid Cost: \$178*	Hybrid: Internet Class with Classroom Lab Fundamentals of underground utility location will be covered in this class including methods used to change the transmitter current levels and shape of the magnetic field, how to measure the magnetic field with the receiver, and how to produce a round magnetic field and verify depth. Students registering for ELTR 1545 Hybrid are automatically enrolled in the corresponding lab. Students must pass the online final exam to be eligible to attend the lab. 2 Credits.	Internet Class ELTR 1545 H1 June 6-24, 2011 Location: Online Lab: Jun. 30-July 1, 2011, 8 a.m.-5 p.m. – Location: EI 107 Registration deadline: May 25 Internet Class ELTR 1545 H1 Oct. 3-Nov. 4, 2011 Location: Online Lab: Nov. 7-10, 2011, 8 a.m.-5 p.m. – Location: EI 107 Registration deadline: September 28 Internet Class ELTR 1545 H2 Nov. 7-Dec.7, 2011 Location: Online Lab: Dec. 8-9, 2011, 8 a.m.-5 p.m. – Location: EI 107 Registration deadline: November 2
ELTR 1645 Cost: \$133.50*	Accelerated Utility Locator Certification: Three-day Classroom and Lab Student must have two years of locating experience prior to enrolling in this class. The class will cover the fundamentals of underground utility location, methods used to change the transmitter current levels and shape of the magnetic field, how to measure the magnetic field with the receiver, and how to produce a round magnetic field and verify depth. 1.5 credits.	June 27-29, 2011 – Location: EI 107 Registration deadline: June 22 October 11-13, 2011 – Location: EI 107 Registration deadline: October 5 November 14-16, 2011 – Location: EI 107 Registration deadline: November 9
ELTR 1745 Cost: \$44.50*	Special Topics: Recertification Review of the basic theory for utility locating, Wyoming state law for utility locators, and a hands-on practical test for recertification. Successful completion of this course will result in recertification as an underground utility locator through Staking University. .5 credits.	July 18, 2011 – Location: EI 107 Registration deadline: July 13 September 9, 2011 – Location: EI 107 Registration deadline: September 6 October 14, 2011 – Location: EI 107 Registration deadline: October 10 November 17, 2011 – Location: EI 107 Registration deadline: November 14 December 7, 2011 – Location: EI 107 Registration deadline: December 5

For registration information please call toll free 800-442-2963 and ask for Bill Mixer at 2670 or Dave Arndt at 2521 or log onto: www.caspercollege.edu go to the A to Z Index, under "U" click on Utility Locator Program. * For Wyoming residents ONLY.

**Residents of the following states are eligible for the WUE tuition rate: Alaska, Arizona, California, Colorado, Hawaii, Idaho, Montana, Nebraska, Nevada, New Mexico, North Dakota, Oregon, South Dakota, Utah & Washington
